Post-Session Evaluation

Thank you for taking the time to give us feedback on the quality of the sessions at the 2024 VA EHDI Conference. We value your comments as they will help us improve future sessions. Please take a few minutes after each session you attend and use the QR code to the right to complete the Post-Session Evaluation.

Welcome

Welcome to the 2024 Virginia EHDI Conference!

The Virginia EHDI program is pleased to welcome you to our second conference. We are thankful for our invested stakeholders who have contributed greatly to the planning of this event. We look forward to highlighting the work that the dedicated parents and professionals do to support children who are deaf or hard of hearing or are diagnosed with congenital cytomegalovirus.

We hope you will have the opportunity to collaborate with other stakeholders and visit our diverse exhibitors. Members of the planning committee have worked many hours over the last few months to ensure a balanced, diverse, and exciting agenda that will provide each of us the new ideas and tools to improve services for children and families in the Commonwealth of Virginia.

Henry Ford said, “If everyone is moving forward together, then success takes care of itself.” Our goal is that this conference enhances the connections you will make and complements the work that each of you do to help children who are deaf or hard of hearing or diagnosed with congenital cytomegalovirus and their families.

Thank you all for your contributions within the EHDI systems of care and the positive impact you have on families in Virginia!

Sincerely,
Virginia EHDI

LEARNING OBJECTIVE

At the conclusion of this activity, participants should be able to:

- Provide an overview of newborn hearing screening and congenital cytomegalovirus screening
- Provide key components and requirements to ensure compliance of hospitals to report accurate and timely information
- Demonstrate understanding of the assessment and management of children who are deaf or hard of hearing or diagnosed with congenital cytomegalovirus
- Demonstrate proficiency regarding the resources and information available for children who are deaf or hard of hearing or diagnosed with congenital cytomegalovirus
- Be familiar with EHDI data driven decision making and ways to improve the screening process for young children in Virginia
- Summarize shared lived experiences of families of children who are deaf or hard of hearing or deaf and hard of hearing adults

PRINCIPLES OF PARTICIPATION

The right to participate in the VA EHDI Conference is fundamental to ensuring open dialogue between all stakeholders. The meeting organizers encourage respectful dialogue as a key element of participation among all meeting participants. The VA EHDI Conference opposes the disruption of any sessions or events that results in the inability for dialogue to take place.

ACCESSIBILITY SERVICES

If you noted through the registration process or made arrangements with the VA EHDI conference organizers in advance for services, please check in with staff at the registration desk when you arrive to confirm arrangements.

Wi-Fi INFORMATION

The Westin provides Wi-Fi free of charge for conference attendees. To access Wi-Fi during the event select the Wi-Fi network named **Westin Conference** and the password is **Westin2024**.

Accrediting Information

In support of improving patient care, this activity has been planned and implemented by the VCHA and the University of Virginia School of Medicine and School of Nursing is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The University of Virginia School of Medicine and School of Nursing designates this live activity for a maximum of 6 AMA PRA Category 1 Credits.TM Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Virginia School of Medicine and School of Nursing awards 6 contact hour(s) for nurses who participate in this educational activity and complete the post activity evaluation.

The University of Virginia School of Medicine and School of Nursing awards 6 hours of participation (consistent with the designated number of AMA PRA Category 1 Credit(s)TM or ANCC contact hours) to a participant who successfully completes this educational activity.

The University of Virginia School of Medicine and School of Nursing maintains a record of participation for six (6) years.

As a Jointly Accredited Organization, The University of Virginia School of Medicine and School of Nursing is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. Regulatory boards are the final authority on courses accepted for continuing education credit. Social workers completing this course receive 6 general continuing education credits.

Disclosure of faculty financial affiliations.

The University of Virginia School of Medicine and School of Nursing as a Joint Accreditation Provider adhere to the ACCME Standards for Integrity and Independence in Accredited Continuing Education, released in December 2020, as well as Commonwealth of Virginia statutes, University of Virginia policies and procedures, and associated federal and private regulations and guidelines. As the accredited provider for this CE/IPCE activity, we are responsible for ensuring that healthcare professionals have access to professional development activities that are based on best practices and scientific integrity that ultimately supports the care of patients and the public.

All individuals involved in the development and delivery of content for an accredited CE/IPCE activity are expected to disclose relevant financial relationships with ineligible companies occurring within the past 24 months (such as grants or research support, employee, consultant, stock holder, member of speakers bureau, etc.). The University of Virginia School of Medicine and School of Nursing employ appropriate mechanisms to resolve potential conflicts of interest and ensure the educational design reflects content validity, scientific rigor and balance for participants. Questions about specific strategies can be directed to the University of Virginia School of Medicine and School of Nursing of the University of Virginia, Charlottesville, Virginia.

No one in a position to control content has disclosed any financial affiliations.

Disclosure of discussion of non-FDA approved uses for pharmaceutical products and/or medical devices. As a Joint Accreditation provider, the University of Virginia School of Medicine and School of Nursing, requires that all faculty presenters identify and disclose any off-label or experimental uses for pharmaceutical and medical device products. It is recommended that each clinician fully review all the available data on new products or procedures prior to clinical use.

Special Thanks

Special thanks to all room moderators for helping the meetings run smoothly and exhibitors below for sharing their wealth of knowledge with our attendees.

EXHIBITORS

Special thanks to the listed organizations for exhibiting at the 2024 VA EHDI Conference.

See conference agenda for specific availability.

- Aetna Better health of Virginia
- Birth In Color
- CDC Learn the Signs Act Early
- Center for Family Involvement @ VCU
- Commonwealth of Virginia Loaner Hearing Aid Program
- Grafton Special Service Program
- Infant and Toddler Connection of Virginia
- National CMV Foundation
- Padapillo PBLLC
- Technical Assistance Center for Children who are Deaf and Hard of Hearing
- The Virginia Deafblind Project
- Virginia Department for the Deaf and Hard of Hearing
- Virginia Hands & Voices
- Zola's World, Inc.

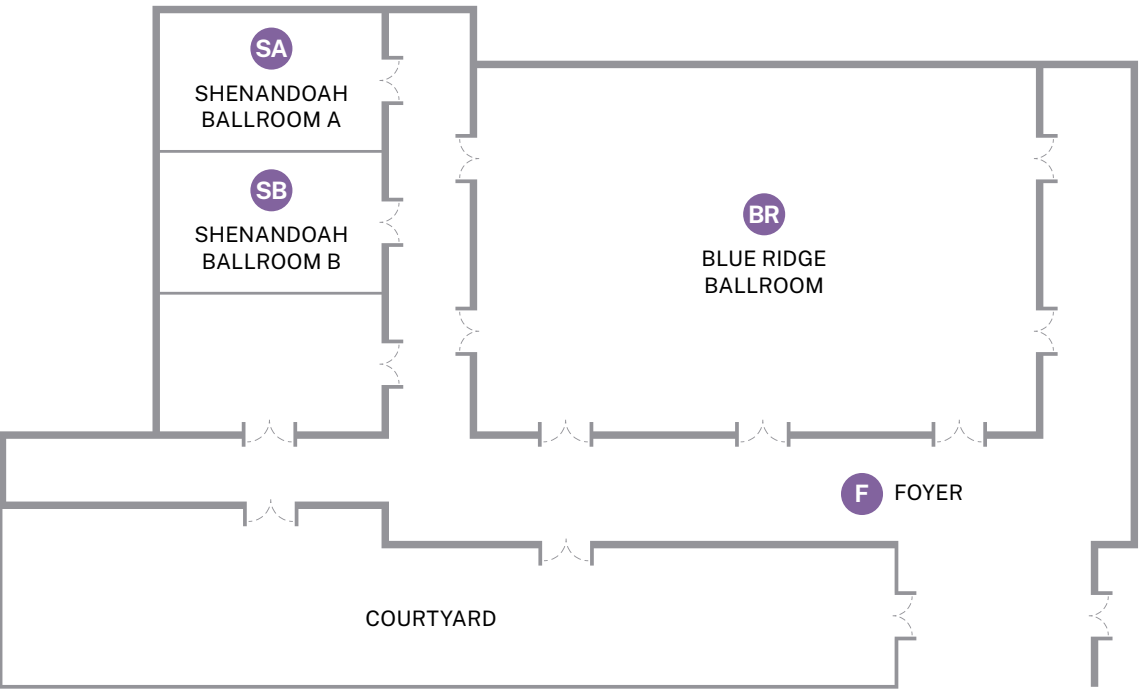

CONTRACTORS

Special thanks to the contractors for working with us to ensure accessibility during the VA EHDI Conference.

- American Sign Language Interpreters
- Cued Language Transliterators
- CART Services

MAY 15 WEDNESDAY PRECONFERENCE

12:00PM 5:00PM	Registration Open	F
1:00PM 3:00PM	Advisory Committee Meeting	SA SB
3:30PM 4:30PM	Virginia Stakeholder Meeting	SB
3:30PM 5:00PM	CMV Longitudinal Surveillance Workgroup Meeting	SA

END OF DAY

MAY 16 THURSDAY DAY 1

7:00AM Exhibitor Setup **F**
8:00AM

8:00AM **BREAKFAST / Registration Open / Exhibitors / Poster Gallery** **F**
9:00AM

9:00AM Opening Remarks **BR**
9:05AM speaker: **Daphne Miller Stewart**
VA EHDI Coordinator

9:05AM Welcome Address **BR**
9:20AM speaker: **Vanessa Walker Harris, MD**
Director, Office of Family Health Services, Virginia Department of Health

9:20AM Keynote Presentation: Positive Exposure **BR**
10:20AM speaker: **Rick Guidotti**
Founder and Director, Positive Exposure

This presentation will discuss creating spaces rooted in unity, respect, and inclusion through photography, film, educational programs, and advocacy.

10:20AM Coffee Break / Exhibitors / Poster Gallery **F**
10:30AM

10:30AM Overview of VA EHDI Systems of Care: Data Driven Discussion **BR**
10:50PM moderator: **Mona Iskander, MD**
Pediatrician, Kaiser Permanente and AAP Chapter Champion

This presentation will provide an overview of VA EHDI Systems of Care from the lens of the VA AAP Chapter Champion and Pediatrician.

10:50AM Data Driven Small Group Discussions **SA**
12:00PM

Group 1: Newborn Screening **SA**
moderators: **Christen Crews, MSN, RN** **Parker Parks, MPH**
NBS Programs Manager, VDH NBS Epidemiologist, VDH

Group 2: CMV & Hearing Loss Diagnosis **BR**
moderators: **Deepali Sanghani, MPH** **Leigh Emma Lion, MS**
CMV Coordinator, VDH Newborn Screening Lab Manager, DCLS

Group 3: Quality Improvement Assessment of EHDI f/u Systems of Care **SB**
moderators: **Durga Mahapatra, MPH** **Lisa Eickel**
VA EHDI Grants Specialist, VDH Parent

Agenda

MAY 16 THURSDAY CONTINUED

12:00PM LUNCH 1:00PM F

1:00PM First Breakout Session 1:50PM

Breakout 1: Risk Factors for Late Onset Hearing Loss

speaker: Karen Woolman, AuD
Pediatric Audiologist, Children’s National Medical Center

This presentation reviews the risk factors and monitoring guidelines for late onset hearing loss using the Joint Committee on Infant Hearing list. The signs that a baby or infant may have a late onset hearing loss will be discussed as well as the implications of late onset hearing loss. Attendees will be able to list some of the risk factors for late onset hearing loss, recognize signs of late onset hearing loss, and know the implications of late onset hearing loss.

Breakout 2: Words Matter: The Impact of The Words We Choose

speakers: Emily Wojahn Small, MA
PhD student, Gallaudet University

Nicole Hutchinson MA, CED
PhD student, Gallaudet University

This presentation will discuss the terminology used when children are identified as deaf or hard of hearing and the impact on the family’s understanding by outlining current findings around the manner that families learn about their child’s identification as deaf or hard of hearing. Attendees will engage in a conversation about the words used in conversation and in print and will have the opportunity to think about their use of words related to being deaf and the impact word choices might have on parents’ perspectives on their child’s abilities.

Breakout 3: Virginia’s Newborn Bloodspot Screening Program

speaker: Victoria Goyne, BSN, RN
Short Term Follow-up Senior/Nurse Educator, VDH

This presentation will provide an overview of Virginia’s Newborn Bloodspot Screening Program, what tests and procedures are performed, parent and provider action needs after follow-up, and who to contact for questions on the program.

1:50PM Exhibitors / Poster Gallery 2:00PM F

CONTINUED ON NEXT PAGE

2:00PM Second Breakout Session 2:50PM

Breakout 1: Language is the Key! Tracking Your Child’s Language Development

speakers: Robin Bliven
Director of Outreach, VSDB

Tracey Yurechko
Project Director, Technical Assistance Center
for Children who are Deaf and Hard of Hearing, VCU

This presentation will discuss the impacts of hearing loss on language development and academic performance, as well as the progress monitoring tools that can be used at home or school to support language development continually.

Breakout 2: Bimodal-Bilingual Videobooks

Shared Reading Activities for Deaf and Hard-of-Hearing Children and (Hearing) Adults

speaker: Donna Jo Napoli, PhD
Professor of Linguistics and Social Justice, Swarthmore College

This presentation will discuss essential elements for acquisition of child literacy and introduce bimodal-bilingual videobooks as a tool to encourage shared reading activities between children who are deaf or hard-of-hearing and (hearing) adults. Research will be shown on the effectiveness of shared reading activities.

Breakout 3: Supporting Families through Care Connection for Children

speaker: Marcus Allen, MPH
Program Director, CYSHCN, VDH

This presentation will provide an overview of the Care Connection for Children program, a statewide network of centers of excellence for children and youth with special health needs. Specialty medical services, care coordination, medical insurance benefits evaluation and coordination, information and referrals to CYSHCN resources, and the Child Development Clinic program will be discussed.

2:50PM Refreshment Break / Exhibitors / Poster Gallery 3:00PM F

CONTINUED ON NEXT PAGE

Agenda

MAY 16 THURSDAY CONTINUED

3:00PM Third Breakout Session
3:50PM

Breakout 1: Virginia’s Deaf Mentor Project

speakers: **Eric Raff**
Director, VDDHH
Melissa Forkner
Deaf Mentor Coordinator, VDDHH

This presentation will provide an overview of the VDDHH’s Deaf Mentor Project, a comprehensive program designed to support families with deaf and hard of hearing children. Deaf Mentors, curriculum, resources, and connections to promote understanding, communication, and inclusivity within the Deaf community will be discussed.

Breakout 2: Virginia’s cCMV Testing Updates

speaker: **Leigh Emma Lion, MS**
Newborn Screening Lab Manager, DCLS

This presentation will provide an understanding of Virginia’s cCMV screening program, an overview of cCMV testing procedures, and review new updates to cCMV testing. A comparison of testing methods and evaluation of the data will be presented.

Breakout 3: Diversity, Equity and Inclusion when Working with Families

speaker: **Rashaun Davis, PhD**
Lead Consultant, R. Charles Davis Consulting

This presentation will discuss the ways in which diversity, equity, and inclusion are important considerations when working with families, specifically for families of children who are deaf or hard of hearing, and how to approach these topics.

3:50PM Exhibitors / Posters
4:00PM

4:00PM EHDI Meet and Greet / Parent Meet and Greet
5:00PM

END OF DAY

MAY 17 FRIDAY DAY 2

7:30AM BREAKFAST / Exhibitors / Poster Gallery
8:30AM

8:30AM Opening Remarks

8:45AM speaker: **Dana Yarbrough**
Director, Center for Family Involvement, VCU

8:45AM EHDI Systems Mapping

9:45AM speaker: **Akilah Heggs, AuD**
Public Health Analyst, Maternal Child Health Bureau,
Health Resources and Services Administration

This presentation will provide guidance from our federal partners at HRSA and provide an introduction into conducting system mapping.

9:45AM CMV Infection During Pregnancy

10:15AM *Will the Baby Get Congenital CMV Infection? Infectious Disease Considerations for Mother and Baby*
speaker: **Dr. Rebecca Levorson, MD**
Pediatric Infectious Disease

This presentation will provide an in-depth overview of congenital Cytomegalovirus (cCMV), the transmission and infection process of CMV during pregnancy, screening methods, and treatment methods. The implications of long-term risks and management for children with CMV and monitoring by pediatricians and other health specialists will be discussed.

10:15AM Fatherhood 101

10:45AM speaker: **Rashaun Davis, PhD**
Lead Consultant and Professor , R. Charles Davis Consulting

10:45AM Refreshment Break / Exhibitors / Poster Gallery

11:00AM Parent Lived Experiences

12:00PM facilitator: **Rashaun Davis, PhD**
Lead Consultant and Professor , R. Charles Davis Consulting
panelists: **Megan Becker, EdD** **Whitney Breeding**
Panel Parent Representative Panel Parent Representative

This panel presentation will allow an open discussion with parents of children who are deaf/hard of hearing (DHH) or have Congenital Cytomegalovirus (cCMV) regarding their experiences and personal stories.

12:00PM LUNCH
1:00PM

Agenda

MAY 17 FRIDAY DAY 2

1:00PM First Breakout Session
1:50PM

Breakout 1: The Virginia Communication Plan speaker: Robin Bliven Director of Outreach, VSDB Tracey Yurechko Project Director, Technical Assistance Center for Children who are Deaf and Hard of Hearing, VCU This presentation will review the Virginia Communication Plan tool and its use in the educational planning process for a child who is deaf or hard of hearing. The importance of language and vocabulary assessment and how to apply knowledge of a child and their family's language and communication choices to the communication plan will also be discussed.	SA
Breakout 2: cCMV Clinical Scenarios in Pregnancy and in Babies– <i>You Be the Doctor!</i> speaker: Rebecca Levorson, MD Pediatric Infectious Disease This presentation will be an interactive review of case scenarios for consideration on whether CMV is present. The presenter will share possible options, for management and review of these cases. With audience participation of selection of management options the presenter will discuss different outcomes based on selections.	BR
Breakout 3: Any Age and Any Stage: Understanding Postnatal Hearing Loss speakers: Valerie James Abbott Parent Advocate with Padapillo PBLLC and EI Service Coordinator, with ITC Henrico Alison King, PhD Asst. Professor of Communication Sciences and Disorders, Longwood University This presentation will deliver knowledge on postnatal hearing loss, identify reasons risk factors and signs of unidentified hearing loss are often overlooked, and review the impacts of hearing loss on early language and literacy skills and development. Additionally, new ways to promote ongoing hearing health monitoring of children during early childhood will be explored.	SB

1:50PM Exhibitors / Posters
2:00PM F

MAY 17 FRIDAY DAY 2

2:00PM Second Breakout Session
2:50PM

Breakout 1: Using the CDC’s “Learn the Signs. Act Early.” <i>Resources to support family engagement for early engagement of hearing loss in deaf and hard of hearing infants and young children in Virginia.</i> speaker: Deana Buck Act Early Ambassador, VCU This presentation will review the CDC’s “Learn the Signs. Act Early” resources for use in meeting the 1-3-6 EHDI benchmarks for early identification of hearing loss in infants and children. Materials will be provided and reviewed and there will be a discussion on identifying local partners that might benefit from integrating these resources so that children and families receive the necessary support as early as possible.	SA
Breakout 2: Collaborative Alliances <i>Strengthen Connections Among Educational Entities</i> speaker: Jerri Seremeth Family Language Connector Program Coordinator, Gallaudet University This presentation will discuss the ways in which the Family Language Connector Program at Gallaudet University foster collaborative alliances, bridge gaps between educational entities and FLCP, and nurture these connections among educational institutions, early intervention providers, and early childhood teachers.	BR
Breakout 3: The Power of Parents: The Importance of Family Support speakers: Teri Urban Chair, Virginia Hands & Voices Alicia Rodriguez Parent and Board Member, Virginia Hands & Voices Karen Woolman, AuD Pediatric Audiologist, Children’s National Medical Center This presentation will discuss the power of parent-to-parent support, Family Mentoring services and referrals to Hands & Voices, and emphasize the importance of families and professionals collaborating to determine the best outcomes for their deaf/hard of hearing child. Parent board members and a pediatric audiologist will deliver this presentation to highlight the impacts of this organization on family support and connection.	SB

END OF DAY

FAMILY FUN DAY!

at Maymont

Join us for a fun-filled family day at Maymont Park with families of children with hearing loss and cCMV! Families will have the opportunity to meet and interact with each other, as well as engage with professionals.

- Family-friendly activities
- Nature Center tickets
- Lunch
- FREE parking

Saturday, May 18, 2024 10am–1pm

Maymont Park, 1700 Hampton St,
Richmond, VA 23220

Prior registration is required.

Please contact us at va_ehdi@vdh.virginia.gov for questions.

This event is sponsored by the Virginia Department of Health, Early Hearing Detection and Intervention program and the Virginia Commonwealth University, Center for Family Involvement.

We want to thank Ella and Mazie for the wonderful illustrations!
