

Deaf Town Hall

Join the Mayor's Office for People with Disabilities (MOPD) for our first in-person Deaf Town Hall since 2019. The Mamdani administration is committed to supporting New Yorkers with disabilities and strengthening access and inclusion for the Deaf community.

This Town Hall will provide the NYC Deaf community with an opportunity to share their experiences, concerns, and priorities directly with MOPD. Come make your voice and hands heard and seen as we discuss important issues affecting the Deaf community, including public housing, language access, and public safety.

This is an opportunity to share what is happening in your community, identify challenges, and work together to find solutions.
